Tax Rate Area, County of San Diego, TRA

Summary:

TRA Boundaries distinguish a particular change action based on an annexation or detachment. TRA numbers identify what the Auditor/Controller will apply as a tax rate to the value of each parcel within that TRA boundary. Section 54900-54903 of the California Government Code contains provisions to ensure that changes in boundaries of cities and districts are uniformly maintained.

Description:

A Tax Rate Area (TRA) is a specific geographic area all of which is within the jurisdiction of the same combination of local agencies and school entities for the current fiscal year. This unique combination of tax levies yields a given composite tax rate with a corresponding TRA Number. These levies fund various districts such as school, fire ,water, etc.
