Summary:

This layer includes designated sites participating in the County of San Diego Health and Human Services Agency Cool Zones Program. The Cool Zones layer is published for public-use in a mapping application accessed through <http://coolzones.org/> and for use in the COSD Emergency Map.

Feature Type: Point

Number of Records: 119

Publication Date: 2023-08-17

Date of Data (Temporal Period Extent): 2023-08-12

Extent: County of San Diego, CA

Extent in Longitude Latitude

North 33.385895
West -117.382647 **East** -116.184460
South 32.555192

Extent in the item's coordinate system

North 2084036.951004
West 6215913.750136 **East** 6581672.736464
South 1783645.250936

Description:

Cool Zones

Designated Cool Zones sites provide refreshing relief for older adults and others during hot summer months.

Cool Zone Locations

The County's Aging & Independence Services is coordinating this special effort. To locate the Cool Zone site nearest you, click [here](#) to view an interactive map with location information. [Click here](#) to view a PDF list with phone numbers of all participating Cool Zone sites in San Diego County.

Cool Zones Information

Cool Zone sites, mostly located in the hottest areas of the county, help older adults and others keep cool and save energy costs.

In the summer, the County designates Cool Zone sites, air-conditioned settings where seniors and others can gather. The sites encourage people to share air conditioning during the heat of the day, lowering individual usage and helping to conserve energy for the whole community.

Residents can use officially sanctioned Cool Zones to escape the heat and rest up before going back outside.

For more information send us an [email](#) or phone 800-510-2020 (within San Diego County) or 800-339-4661 (outside the County).

Distribution Ordering Instructions:

Refer to SanGIS website (<http://www.sangis.org/services/index.html>) to obtain further information on mapping and data extraction services available from SanGIS.

Fields:

Overview:

This dataset shows the designated Cool Zone sites throughout the County of San Diego. The Organization field provides the name of the organization hosting the Cool Zone site. The Address field provides the physical street address of the Cool Zone location. The

City field provides the physical city where the Cool Zone is located. The HHSA Region field provides the HHSA Region that the Cool Zone is within, based on a spatial join with SDEP.SANGIS.DIST_HHSA_REGIONS. The State field provides the physical state of the Cool Zone location. The ZIP Code field provides the physical ZIP Code of the Cool Zone location. The Lead field shows the point of contact for the Cool Zone location -this field is for internal COSD use only. The Title field shows the title of the point of contact for the Cool Zone location. The Phone field shows the contact phone number for the Cool Zone location. The Operational Hours field shows the hours that the Cool Zone location is open to the public. The Email field shows the email for the point of contact for the Cool Zone location -this field is for internal COSD use only. The Mailing Address field is no longer in use. The Decal Need field is no longer in use. The Backup Generator field notes whether the Cool Zone location has a backup generator -this field is for internal COSD use only. The Pet Policy field states the Cool Zone locations pet policy. The Site Capacity field enumerates how many individuals the Cool Zone location is capable of hosting -this field is for internal COSD use only. The Emergency Hours field notes whether the Cool ZONE location has emergency hours. The Designated Shelter field denotes whether the Cool Zone location is designated for use as a shelter during emergency activations -this field is for internal COSD use only. The Emergency Contact Info field shows the emergency point of contact for the Cool Zone location -this field is for internal COSD use only.

__FID (OID)

Internal feature number.

Shape (Geometry)

Feature geometry.

Organizati (String)

The Organization field provides the name of the organization hosting the Cool Zone site.

Address (String)

The Address field provides the physical street address of the Cool Zone location.

HHSARegion (String)

The HHSA Region field provides the HHSA Region that the Cool Zone is within, based on a spatial join with SDEP.SANGIS.DIST_HHSA_REGIONS.

State (String)

The State field provides the physical state of the Cool Zone location.

Alabama - AL
Alaska - AK
Arizona - AZ
Arkansas - AR
California - CA
Colorado - CO
Connecticut - CT
Delaware - DE
Florida - FL
Georgia - GA
Hawaii - HI
Idaho - ID

Vermont - VT
Virginia - VA
Washington - WA
West Virginia - WV
Wisconsin - WI
Wyoming - WY

ZipCode (Double)

The ZIP Code field provides the physical ZIP Code of the Cool Zone location.

Lead (String)

The Lead field shows the point of contact for the Cool Zone location -this field is for internal COSD use only.

Title (String)

The Title field shows the title of the point of contact for the Cool Zone location. - this field is for internal COSD use only.

Phone (String)

The Phone field shows the contact phone number for the Cool Zone location. -this field is for internal COSD use only.

Email (String)

The Email field shows the email for the point of contact for the Cool Zone location - this field is for internal COSD use only.

Operationa (String)

The Operational Hours field shows the hours that the Cool Zone location is open to the public.

DecalNeed (String)

The Decal Need field is no longer in use.

MailingAdd (String)

The mailing address of the facility-this field is for internal COSD use only.

City (String)

The City field provides the physical city where the Cool Zone is located.

BackupGene (String)

The Backup Generator field notes whether the Cool Zone location has a backup generator -this field is for internal COSD use only.

PetPolicy (String)

The Pet Policy field states the Cool Zone locations pet policy.

SiteCapaci (String)

The Site Capacity field enumerates how many individuals the Cool Zone location is capable of hosting -this field is for internal COSD use only.

EmergencyH (String)

The Emergency Hours field notes whether the Cool ZOne location has emergency hours.

Designated (String)

The Designated Shelter field denotes whether the Cool Zone location is designated for use as a shelter during emergency activations -this field is for internal COSD use only.

PreviousSh (String)

The Designated Shelter field denotes whether the Cool Zone location was previously designated for use as a shelter during emergency activations -this field is for internal COSD use only.

EmergencyC (String)

Emergency Contact Information-this field is for internal COSD use only.
