Summary:

Parks_CN is used by the Department of Parks and Recreation as an inventory and management tool of County Park properties.

Feature Type: Polygon

Number of Records: 156

Publication Date: 2023-08-24

Date of Data (Temporal Period Extent): 2023-08-19

Extent: San Diego County. Data is ongoing

Extent in Longitude Latitude

North 33.426699
West -117.292496 **East** -116.104522
South 32.535470

Extent in the item's coordinate system

North 2098884.234958
West 6243583.910018 **East** 6606053.000039
South 1776183.128393

Description:

This is the County of San Diego, Department of Parks and Recreation polygon Parks_CN layer. This layer is parcel-based, representing park units by their collective parcels, rather than bounding polygons, and represents County Park-specific owned, co-owned, leased, funded or cooperatively managed park units. Because this dataset includes managed, leased or co-owned properties, overlap with other property owners or management agencies will be apparent if using similar parcel-based layers.

Use Limitation:

In no event shall SanGIS or the Department of Parks and Recreation (DPR) become liable to users of these data, or any other party, for any loss or damages, consequential or otherwise, including but not limited to time, money, or goodwill, arising from the use, operation or modification of the data. In using these data, you further agree to indemnify, defend, and hold harmless SanGIS and DPR for any and all liability of any nature arising out of or resulting from the lack of accuracy or correctness of the data, or the use of the data.

To ensure that appropriate documentation and data limitations are provided, re-distribution of this data is strongly discouraged. Please acknowledge County of San Diego, Department of Parks & Recreation as a source when this data is used in the preparation of reports, papers, publications, maps, and other products.

This Agreement shall be construed in accordance with the laws of the United States and the State of California. Venue shall rest solely in the County of San Diego, State of California.

Fields:

Overview:

This is the County of San Diego, Department of Parks and Recreation polygon Parks_CN layer. This layer is parcel-based, representing park units by their collective parcels, rather than bounding polygons, and represents County Park-specific owned, co-owned, leased, funded or cooperatively managed park units. Because this dataset includes managed, leased or co-owned properties, overlap with other property owners or management agencies will be apparent if using similar parcel-based layers.

Parks_CN is used by the Department of Parks and Recreation as an inventory and management tool of County Park properties.

__FID (OID)

Internal feature number.

SHAPE (Geometry)

Feature geometry.

NAME_FULL (String)

Official DPR Name

CARTO_NAME (String)

Cartographic Name

PUBLICLY_A (String)

Is park Publicly Accessible

SUB_TYPE (String)

Park Type

Options are: Ecological Reserve, Facility, Garden, Historic Site, Local Park, Open Space Preserve, Regional Park, Sports Park, Other.

PARK_ADDRE (String)

Park Address

ACCELA_ID (String)

Accela ID (Unique to Row)

ASSET_DESC (String)

PRAMS Asset Description

LEASE_TYPE (String)

Lease Type

COUNTY_ASS (String)
County Asset Number

F3P_REQUIR (String)
F3P Required

YEAR_BUILT (String)
Year Built

SUPERVISOR (String)
Supervisor District

ACCEPTANCE (Date)
Acceptance Date

EXPIRATION (Date)
Expiration Date

X_COORD (Double)
AUTO GENERATED LUEG-GIS

Y_COORD (Double)
AUTO GENERATED LUEG-GIS

ASSET_STAT (String)
Should be 'Active' for all new parks, so the default "Active" is given to any new feature. [ASSET_STATUS] is the field that LUEG-GIS will use to control if a park is used in maps and analysis. When this field says "To Be Expired", that park should—for all intents and purposes—be considered 'deleted'
